Summer 2007

Dispatch from the Commander

Compatriots of the Arizona Division of Sons of Confederate Veterans, here we are over halfway through another year. Where does the time go? It may be a good time to take stock of what we've accomplished so far in 2007 and make positive plans for the balance of the year.

At our annual convention, there were a number of things discussed regarding improving our camp participation in community events, living history school presentations and recruitment. I trust all camps are putting forth efforts to accomplish these things.

Gentlemen, if we fail to do so we are not only letting down ourselves and the Arizona Division, but we are also failing the Charge given us by Lt. General Stephen D. Lee. We shouldn't be complacent in our membership. We all should do our best to promote the true meaning of our Southern Heritage.

Time is a valuable commodity for all of us I know. Our daily efforts to care for our own families is overwhelming at times. However, we have had a number of compatriots and fam-

ily members of compatriots who have had serious illness and are still having health issues. We should take it upon ourselves to contact these people and offer assistance when possible. The least we can do is offer our prayers in their behalf when called upon to do so. Just a friendly phone call can sometimes do a great deal for the mental well being of someone who is having difficulties. I know each of us would like to think our fellow compatriots would lend a helping hand or words of encouragement if we needed them. Let's try to be helpful to those who need our special attention in their time of need.

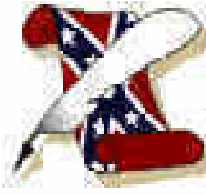

This past year we have had some disappointing and disturbing events within the Arizona Division. Some have caused a great deal of animosity within our ranks. Recently, two Camps published editorials in their newsletters that, while within their rights to their own opinions, cast aspersions on other members of this Division. Both editorials hardly complied with the expected behavior of a Southern Gentleman. The members of this

Division must know that I take a dim view of this and, in the future, expect the two "authors" involved to exercise some constraint and tone down their inflammatory rhetoric. It is one thing to express one's opinion on controversial issues. It is another to imply impropriety on the part of other members without proof or to stretch the truth to make one's point. Division and Camp Newsletters should not be platforms for individuals to attack their fellow compatriots.

Adjutant's Report

Compatriots,

Y'all have probably noticed a change in format in *The Rebel Yell*. Commander Robert Perkins, who held the post of Editor, has resigned for health reasons. Your humble servant has temporarily taken over the task of producing our Division's newsletter. If any of y'all feel the power and the spirit has moved you to take on this important office on the Division staff, please step forward!

Fiscal Year Began 1 August

It's that time again! The SCV fiscal year began on 1 August and the National per capita tax, Division and Camp dues are now payable. The Camp Adjutants should have or will be directly sending out notices of the amount due. It varies from Camp to Camp depending on the amount charged for Camp dues but basically, the national dues are \$20.00 and the Division dues are \$7.50. Add your Camp dues to that and that's what's due and payable. Please, unless you are a member of Camp 1647, DO NOT send your payments to the Division Adjutant. I will take care of dues for that Camp as the Division is acting as 1647's financial agent but all other Camp member should send

their payments to their Camp's Adjutant. Life Members pay only Division and Camp dues. Cadet members pay only \$10.00 National per capita tax. REMEMBER! Dues must be paid no later than 31 October.

Recruiting & Retention

The Division has 178 full, Cadet and Associate members as of 1 August. Of those 178, 48 are paid in full for fiscal year 2007—that's this year, y'all! Let us work diligently to get the other 130 members paid up!

Recruiting is going well! Since 1 June, 17 Gentlemen have been contacted and 12 have joined! That's 70%! The breakdown is:

1202:	0
1525:	3
1647:	3
1708:	0
1710:	4
2074:	1
2096:	1

This is a great start! Let's keep this ball rolling!

National per capita tax Increase

At the SCV national convention held in Mobile in July, the delegates passed a measure to increase the national per capita tax effective 1 August 2008 (that's NEXT year!) by \$10.00. Commander Morris of Camp 1202 was in

attendance and can give the details of the debate. The basic reason is a shortfall in operating funds for the organization. The last dues increase was about 10 years ago when the dues went for \$18.00 to \$20.00. Costs for everything (been to the gas station lately?) are going up and the same holds true for the operating costs of the SCV. I do suggest that should any of our members find this increase difficult to manage, we assist them either at the Camp or Division level to pay these dues rather than lose a member.

Division Executive Council Meeting

The Division Executive Council met in Sierra Vista on 8 September. Details of that meeting are found elsewhere in this issue. Remember that DEC meetings are open and any SCV member may attend. You do not have to be a DEC member or Camp Commander. Please consider attending!

I remain, Gentlemen, very respectfully, your obedient servant

Curt Tipton
Adjutant, Arizona Division

Arizona Division Convention

Miner's Camp,
Apache Junction, A.T. 2 June 2007
Hosted by the Captain
Granville H. Oury Camp
1708, the Arizona Division
held its 13th Annual Reunion
and Convention at the Miner's
Camp at the foot of the scenic,
yet forbidding Superstition
Mountains. No, we didn't
attempt a search for the Lost
Dutchman's Mine!

Past Camp 1708 Com-
mander Larry Hammack
opened the convention busi-
ness session in the absence of
Commander Lindsay Brown
who has been hospitalized.
Division Color Sergeant Ben
Middleton led the honors to
the colors, Division Adjutant
Curt Tipton read the Charge
and Camp 1708 Chaplain
Jerry Minnis gave the invoca-
tion with a special prayer for
Commander Brown. Com-
mander Mangum assumed the
chair. The Adjutant deter-
mined a quorum was present
and seated the delegations.
Seven of eight camps were
represented.

The Adjutant read the
minutes of the last convention,
and gave the financial report.
The division started the
year with a balance of
\$663.35, received \$2035.70 in
income and incurred \$1738.70
in expenses, leaving a balance
in the Stockmen's Bank ac-
count of \$960.35.
No correspondence other than
routine administrative

items from GHQ and the
Camps was received.

The Recruiting Officer
gave a summary of the year's
activities. The Division made
48 contacts and, of those 48
gentlemen, 32 joined, trans-
ferred in or reactivated their
membership. There were no
other staff officer reports sub-
mitted.

The Division Com-
mander gave his report and
then called for reports from the
Brigade Commanders. The
Gadsden Brigade had no re-
port and the Jefferson Davis
Brigade Commander deferred
his report to the Camp Com-
manders.

The Camp Command-
ers gave their reports, high-
lighting activities, recruiting,
fund raising, heritage events
&c.

The Time and Place
Committee selected the Texas
John H. Slaughter Camp 2074
to host next year's convention.
The event is tentatively sched-
uled to be held on or about 7
June 2008 in Tucson.

No old business was
brought to the floor. In new
business, the delegates consid-
ered seven proposed amend-
ments to the Division Consti-
tution. All seven failed to
achieve the required 2/3s ma-
jority to pass.

A motion was made to
create medals for the Societies
of the Sons of the Sabre and

the Sons of Saint Barbara. Af-
ter some discussion, Adjutant
Tipton moved that the pro-
posal be tabled until further
research into the cost of such
medals could be accom-
plished. The motion to table
the proposal was passed.
A proposal was presented
to revise the Division
colors and logo. Commander
Meek moved that this proposal
be postponed indefinitely. His
motion was passed.

The delegates consid-
ered a motion to sponsor a
mounted color guard and
passed the proposal with the
proviso that there be no fund-
ing required from the Division
but that, upon request and ap-
proval by the DEC, funding
for specific events or pur-
chases could be made avail-
able.

Camp 2127 Adjutant
Barton reported on the recent
meeting concerning the 2007
Anniversary celebration of the
City of Tucson. The SCV has
been invited to participate. It
was moved, seconded and
passed that the Division accept
the invitation.

Compatriot Mike
Agnew of Camp 1708 gave a
report on the status of the Ari-
zona Department of Transpor-
tation's plans to reroute US
Highway 60 in Apache Junc-
tion. This would affect the
Jefferson Davis memorial at

Division Executive Council Meets!

Sierra Vista, A.T. 8 September 2007

The Confederate Secret Service Camp 1710 hosted the quarterly meeting of the Arizona Division Executive Council today.

Commander John Mangum called the meeting to order. Color Sergeant Ben Middleton led the council in honors to the colors and Chaplain Ray Ganey gave the invocation. Adjutant Curt Tipton read the Charge.

Camp 1710 Commander John Rogers took the opportunity to induct new member Larry R. Bowman into our ranks. Following the induction, the council turned to the business at hand.

The Adjutant read the minutes of the last DEC meeting and gave the financial report. He also gave the recruiting and retention report. (see Adjutant's report on page 2)

The Division Commander, Brigade and Camp Commanders and staff officers gave their reports. Then the council considered old business.

Under old business, the DEC voted to adopt the proposed badges for the Societies of the Sons of the Sabre and the Sons of St. Barbara. Adjutant Barton of Camp 2127 has found a vendor who offers the miniature badges for approximately \$2.00 each. There may be a discount for a large quantity purchase.

The DEC voted to increase the initiation fee for both societies to \$10.00 and to include the badge as part of the membership benefits. Current members who wish to have a badge may purchase one for \$2.00. The Division will buy the badges and will be reimbursed by the sales to current members and the initiation fees for new members. As the badges become available, the Adjutant will inform the current membership. The Division website will be updated to reflect these changes.

The DEC considered the proposals to purchase memorial bricks at the Tucson Presidio and the request for financial assistance for the Washington Division in reinstalling the Jefferson Davis Memorial there. Both proposals were defeated.

The Adjutant presented Camp 1647 Commander Garrison's report in the crisis in marking CS graves in Prescott. The DEC voted to let Commander Garrison and Past Commander Rombach handle the matter until such time the rest of the Division is required to step in.

The Adjutant was directed to prepare the 2007-2008 issue of the Division directory for publication. Each Camp needs to submit an updated Camp history. The Ad-

Gentlemen, there are many individuals and organizations who are doing all they can to bring about the downfall of the SCV and Southern Heritage. Let's not give them ammunition to aid in their efforts. Cyberspace, is not a proper venue for a problem you may be having within your Camp, Brigade or Division. Such matters should be saved for a proper face to face venue for discussion by those concerned. Most of us would NOT like to have a sensitive family problem aired across the internet. This should also apply to our organizational matters.

It is a pleasure to serve all of you as your Division Commander. I hope we can become a more cohesive group working in harmony for the betterment and advancement of the Arizona Division Sons of Confederate Veterans. If we do so we WILL BE an ASSET to the entire organization NOT A PROBLEM.

I Remain Your Obedient Servant,

John W. Mangum Commander

Texas John H. Slaughter Camp 2074

Commander Glenn Meek

The Texas John H

Slaughter Camp 2074 held it's monthly meeting on the 29th of July 2007, at the Olde Pueblo Grill in Tucson. The first and most important order of business was to induct our newest member, Compatriot Don Rodgers. Arizona Division Commander John Mangum presented Compatriot Rodgers with his membership certificate. The Camp discussed many items of business including the participation in the Tucson Living History event, (which was cancelled at the last minute), the various parades, as well as the Mounted Color Guard. Several members and a lovely lady were in attendance. All enjoyed a great meeting and fine meal.

Division Commander John Mangum presents his membership certificate to Compatriot Don Rodgers. Compatriot Rodgers is descended from Lucius Quintus Cincinnatus Lemar jr. of the 19th Mississippi Infantry. Compatriot Rodgers submitted enough genealogical information that he could literally write a book.

The Arizona Division's newest Camp, the **Army of Trans-Mississippi Artillery Camp 2127** received its charter at the Division Convention in Apache Junction on 3 June 2007. Pictured (l to r) are Division Adjutant Curt Tipton, Camp 2127 Adjutant David Barton, Camp 2127 Commander Walt Nichols, Mrs. Nichols, Mrs. Variz, Camp 2127 Lt. Commander Tony Variz and Division Commander John Mangum.

Adjutant Curt Tipton

Camp 1710 has had a successful summer. Our new member, Larry Bowman, was inducted into the ranks at the DEC meeting on 8 September. Compatriot Bowman is descended from Pvt. George Washington Lewis of Company B, 2nd Regiment, Arizona Brigade. Larry is the second member of the Division who is descended from an Arizona Confederate. Past Camp 1710 Commander David Showalter was descended from Lt. Col. Daniel Showalter, commander of the 4th Regiment, Arizona Brigade.

The Camp held a business meeting on 14 July and hosted the organizational meeting of the Division Color Guard.

We were pleased to have one of our Belgian Associate members visit! Reinout Temmerman was the guest of Compatriot John Mohler and spent an enjoyable time in Southern Arizona.

Color Sergeant Ben Middleton joined Compatriot Rich Montgomery of Camp 1202, Adjutant David Barton and the ladies of UDC Chapter 2298 in the annual Presentation of Flags in Tucson. (see article elsewhere in this issue)

Nat'l Per Capita Tax to Increase!

Mobile, Alabama 26 July 2007

The delegates to the SCV National Reunion & Convention today approved an increase in the national per capita tax—that is the amount of national dues. The per capita tax will increase from \$20.00 to \$30.00 effective 1 August 2008 for fiscal year 2008. That will make the annual dues for Arizona Division members \$37.50 plus whatever dues the individual Camp charges. Currently, all the Arizona Camps that have dues charge \$5.00. Camps 1647 and 2127 do not charge Camp dues. So, for most of our members, the annual dues and fees will amount to \$47.50.

Camps must be aware of this increase when recruiting new members. It also changes the prorated dues structure. Prorated national dues will now be for new members joining in:
February-April: \$15.00
May-July: \$7.50
Division prorated dues remain the same as they are currently.

Tucson Celebrates its 232nd Anniversary

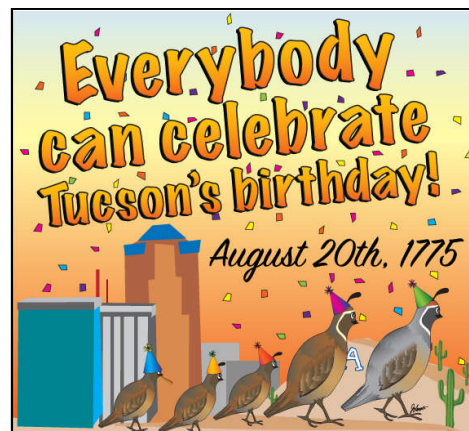

The City of Tucson celebrated its founding with a presentation of the historic flags that have flown over the Presidio. (Left) Compatriot Rich Montgomery of Captain Hunter's Arizona Rangers Camp 1202 presents a plaque commemorating the Confederate presence in Tucson to a representative of the City.

(Continued from page 4)

Adjutant will update the rosters and then publish the directory in pdf format. The electronic version will be sent to each member who is on the Division email list. Each Camp will also receive an electronic copy and may make hard copies to distribute to their members who do not have email.

Past Commander Bobby Morris reported on the recent national convention, particularly on the dues increase. Commander Morris said that SCV Executive Director Ben Sewell presented an outline of the budget shortfalls and that it was apparent that a dues increase was necessary. The delegates voted to increase the national per capita tax from \$20.00 to \$30.00 effective 1 August 2008.

Commander Morris also summarized the voting on the proposed amendments. He clarified the amendment concerning Cadet dues. While the amendment to eliminate Cadet dues failed to pass, it was not clearly stated that Cadets DO NOT pay annual dues. The amendment referred to the one time \$10.00 application fee. That is still in place and covers the cost of the recording and certificates. Cadets do not pay an annual fee of any kind. So y'all who have sons and grandsons under age 12—sign 'em up!

The DEC also voted to extend invitations to the candidates for national office in

2008 to visit the Arizona Division to present their platforms to us. Gary Ayres, candidate for Army of Trans-Mississippi Commander and Chuck Norred, candidate for Commander-in-Chief, have both asked to visit. The Adjutant will extend formal invitations to both.

The Division Commander gave a presentation on the new WBTS film which begins production next week. Many Arizona SCV Compatriots are "starring" in the film. If you are interested, contact Commander Mangum at runningiron@mac.com.

Commander Mangum also presented a report on the uniforms for the Division Mounted Color Guard. He has a source of very inexpensive but high quality uniforms and will send the Adjutant a summary of prices. The Color Guard will wear gray shell jackets with cavalry trim and no rank insignia; sky blue trousers with no leg stripe; a gray kepi with cavalry trim and cavalry boots. Commander Mangum's source can supply a full uniform (minus boots) for less than \$100.00! The Adjutant will send the details to the membership when they are available.

We were also pleased to have in attendance Camp 1710's newest member, Mr. Derek Dumais of St. David and his parents. Derek is 12 years old and very enthusiastic about his SCV membership.

He has volunteered to be Camp 1710's bugler and is joining the Division's Mounted Color Guard.

Chaplain Ganey gave the invocation and Commander Mangum adjourned the meeting. Camp 1710, the host Camp, held a door prize raffle, raising a few dollars for their treasury.

The next DEC meeting will be held in February. The Adjutant will announce the date, time and location when that information becomes available. The location is tentatively set for the Phoenix metro area and if any Jeff Davis Brigade Camps are interested in hosting the event, please contact the Adjutant.
