All the South has ever desired was that the Union, as established by our forefathers, should be preserved, and that the government, as originally organized, should be administered in purity and truth.

General Robert E. Lee, 5 January 1866

Dispatch from the Commander

FIFTY THOUSAND STRONG! 2016

Richard Montgomery
Commander
Arizona Division

Our Commander-in-Chief, R. Michael Givens has thrown down the gauntlet! He has given us a daunting challenge! Current numbers have national membership at about 29,000. He wants another 21,000 over the next five years, which will increase membership by seventy two percent by the year 2016! That's the challenge!

Commander Givens sees something in us that is worthy of such a challenge. It is not nearly the daunting challenge that our ancestors met on the fields of battle to defend hearth and home, is it? We need to embrace this effort and make it happen! We accept, Sir!

Commander Givens also emphasized that SCV is the only or-

ganization that is promoting the Sesquicentennial of the War for Southern Independence. We are the mainstay. It may be PC to ignore that history right now, but to be true to our country and ourselves; we need to ensure that the PC crowd is frequently reminded of what happened 150 years ago, again and again. Otherwise, it will be just another form of reconstruction, this time erasing our history and heritage! We need more folks in our ranks to help us accomplish this!

Behind this effort is the fact that our nation-wide membership has been rather static over the last few years, and the median age of a member of the Sons of Confederate Veterans is 58! Half of you are younger than that, but half of you are older! (Please, don't remind me!) In the next five years that number will creep up if we remain on the same trajectory we are on today. Statistically, there may be as many as twenty-five million men

The VA Refuses Veterans' Grave Markers!

Title 38, US Code
Part II: General Benefits
Chapter 23: Burial Benefits

Section 2306: Headstones, markers and burial receptacles

- (a) The Secretary **SHALL** furnish, when requested, appropriate Government headstones or markers, at the expense of the United States, for the unmarked graves of the following:
- (1) Any individual buried in a national cemetery or a post cemetery
 - (2) Any individual eligible for burial in a national cemetery (but not buried there),
 - (3) except for those persons or classes of persons enumerated in section 2402, (4)(5) and (6) of this title.
 - (4) Soldiers of the Union and **CONFEDERATE** armies of the Civil War.

The Confederate graves in Oakwood Cemetery are “marked” with 6”x6” blocks containing only numbers. Each block indicates **THREE VETERANS’ GRAVES**. The VA states that these graves are “marked” and therefore refuses to supply appropriate grave markers with names, dates of birth and death and service information **AS REQUIRED BY LAW**.

WOULD YOU ACCEPT THIS FOR YOURSELF OR YOUR FAMILY MEMBERS?

This is not about funding. The VA has stated the reason for the refusal is the “marked” status of the graves. The VA has no problem in supplying headstones for the veterans of other wars or for Union veterans. Why can they not provide markers for Confederate veterans as required by law?

The VA is not above the law!

Contact your Congressional Representatives and your Senators. Ask them to force the VA to obey the law!

in this country who can trace their ancestry back to Confederate veterans! Imagine the possibilities in that genealogical fact! Frankly, we need to pull our heads out of the sand and focus in on the task of accomplishing this awesome challenge.

How do we do this? You have the answers, and I will begin the dialogue here and now. I want your ideas on how to get from here to there! To do this, I expect every camp commander to come up with a plan, share that plan with the other commanders and the division.

Beginning now, September 1st, 2011, and continuing on up to next year's state convention, the camp that recruits the highest percentage of new members will receive an annual revolving trophy. Also, I am suggesting to GHQ that the camp that recruits the fifty thousandth member receive some special recognition, and we are going to recruit that fifty thousandth member here in Arizona! The Army of the Trans-Mississippi is the fastest growing region of the SCV, and there is no reason that we should not have a share of it. To meet the challenge, Arizona Division needs to recruit about 120 men over the next five years. I predict we will get there much sooner if we put our minds to it!

Also, be aware that there is a national level award, the Dixie Club award. This individual award is given for recruiting new members during the fiscal year. Medals and certificates are awarded as follows: 5-9 new members, certificate; 10-15 new members, Bronze Medal; 16-25 new members Silver Medal; over

25 members, Gold Medal. At the last annual reunion in Montgomery, Alabama, we had one compatriot, Joseph Grimes from North Carolina that recruited 58 new members! There were nearly 80 compatriots who had recruited five or more! None were from Arizona. Let's turn that one around!

Some final thoughts:

Camp Commanders, do you agree with me that everyone that just renewed their membership should be personally contacted and thanked? Have you done that? Of course, the ones that show up at the monthly meetings or activities, you will thank, but what about the ones that fill our rosters and our bank accounts but are never there? When was the last time you called the ones that don't come? Would it be beneficial to routinely do so? Say, twice a year?

Gentlemen, make a plan. If you have a contact with a potential member, offer to *drive* him to the meeting! Remember the first time you went to a SCV meeting? Were you a bit hesitant?

If someone comes to the meeting, do you follow up with him, or leave it to him to decide if he comes back? Which is more effective?

Do you give a new member a task or job to get him involved? Do you follow up and make sure he's comfortable with the group?

Why not devote the first 15 minutes of a meeting once a quarter to calling those not present? Everyone bring a cell phone and each one call up a few of those not present!

Are your meetings held at a convenient time for all? How do you know? Do you have occa-

sional speakers or some form of entertainment? Do you meet at a good restaurant for some meetings?

If we are going to meet the 2016 goal, we must first ensure that we have the maximum involvement of our current membership since this will be a multiplier of our recruitment.

Finally, set a goal for yourself. How many are you going to recruit? Do you know someone right now that you could recruit? When are you going to do that?

Gentlemen, I look forward to your ideas and plans to meet this challenge and am confident that you will pick up the gauntlet!

LATE NEWS!

Commander-in-Chief Givens has called a special meeting of the GEC and the Division Commanders and Adjutants to be held at Elm Springs on 15-16 October 2011. Our Division will be represented at that meeting. Vision 2016 as presented at the National Convention in Montgomery is the topic and this meeting will further implement this program. A Power-point presentation of Vision 2016 is available on the SCV Website at www.scv.org.

17th Annual Arizona Division Reunion & Convention

Camp 1710 was pleased to host the 17th Annual Arizona Division Reunion & Convention at the Pueblo del Sol Country Club in Sierra Vista.

The business session opened at 10:15 AM. The assembled delegates rendered honors to the colors of these United States and the Confederacy. Arizona Division Chaplain Ray Ganey gave an invocation. Division Adjutant Curt Tipton read the Charge. Host Camp Commander Silas Griffin welcomed the delegates and guests and turned the chair over to the Division Commander. Commander Montgomery read greetings from Commander-in-Chief Givens and Lt. Commander-in-Chief Barrow.

The Adjutant determined a quorum was present (Camps 1202, 1525, 1708, 1710, 2074 and 2096 were represented). The business session was called to order.

The Adjutant provided copies of the minutes of the last Division Convention which were approved. He gave the financial report and read the correspondence received.

The recruiting officer gave the recruiting and retention reports. The Chairman of the Sesquicentennial Committee gave his report. He covered sesquicentennial events, the work accomplished with the Arizona Centennial Com-

mission and requested SCV involvement in the Arizona Historical Society. The Time and Place Committee determined that Camp 2096 will host next year's convention on June 2nd in Safford.

The Heritage Defense Committee reported on the two heritage violations that occurred in Arizona during the past year—one at Fort Huachuca and one in Prescott at the Highland Games. See the Spring issue of *The Rebel Yell* for details.

The Army of Trans-Mississippi Field Representative gave a report about events in the ATM over the past year.

The Division Commander gave his report, praising the cooperation between our Camps and with the UDC chapters. He was followed by the Brigade Commanders' reports and the Camp Commanders' reports. The Graves Registrar's report was read by the Division Commander.

Turning to old business, the MRS system was discussed. Compatriot Tim Payne was commended for his work in implementing our own MRS system, saving the Division over \$300.00.

In new business, the Division adopted the Guardianship program and will implement it as soon as possible. Revisions to the Division's awards program were considered and adopted. The revised program will be sent to the Camps soon. Acquisition of a flag pole at Picacho Peak State Park was discussed. Commander Montgomery asked JAG Dybus to investigate the situation regarding title to the property and what we should do to acquire rights to the flag-pole.

The business session was adjourned and, after a break, lunch was served. Following lunch, Ms. Janet Grams of the Arizona Division UDC presented greetings. Chaplain Ganey conducted a memorial in which the names of Compatriots and their family members who have passed on were read. Following the memorial, awards were presented to many deserving Compatriots. After the awards ceremony, the Camp's silent auction was closed out, raising \$148.00 for the treasury.

Arizona Division Represented at the 2011 National SCV Convention!

Montgomery, Alabama
13-16 July 2011

Delegates from Camps 1202, 1525, 1710 and 2096 attended the 2011 SCV National Reunion and Convention in Alabama's capital city, representing their Camps and the Arizona Division. Attending were Arizona Division Commander Richard Montgomery, Camp 1202 Commander Bobby Morris, Camp 1525 Adjutant/Past Commander Robert Perkins, Arizona Division Adjutant/Camp 1710 Adjutant Curt Tipton, Camp 1710 Compatriot Tim Payne, Camp 2096 Past Commander Jimmie Allsup, Camp 2096 Commander Jordan Evans and Camp 2096 Adjutant Clyde England. Our ladies in attendance were Mrs. Mary Tipton and Mrs. Tammy Perkins.

The convention was held at the Embassy Suites in downtown Montgomery, not far from the capitol where Jef-

erson Davis was inaugurated President of the Confederacy in February 1861. The First White House of the Confederacy is across the street from the capitol.

The convention opened with the presentation of the colors and greetings by the Embassy Suites manager, the President of the Alabama Division of the UDC, the President-General of the Children of the Confederacy, the President of the Alabama Society of the Order of the Confederate Rose and a representative of the Mayor of Montgomery.

As there were no proposed amendments to the constitution or other similar business to consider, the first day's business consisted of officers' reports, the presentation and acceptance of the budget for fiscal year 2011 and other reports of interest to the delegates. Day two continued this theme with the exception of a

special meeting of Division Commanders and Adjutants. Following this meeting, the Awards luncheon was held.

On Day three, Commander-in-Chief Givens presented his "Vision 2016" program. This is the result of the questionnaires sent out to the Divisions some time ago and of a special GEC conference held at Chickamauga prior to the convention. Vision 2016 is a plan to achieve certain goals by the end of the Sesquicentennial period. The major goal is to have a membership of 50,000 men by that year. Other goals include measures to streamline and improve operations and to assist us in meeting the Charge. More will be forthcoming to the membership on this issue.

It was a great convention and we hope to see many more Arizona compatriots in Murfreesboro, Tennessee, next year!

Adjutant's Report

Compatriots,

The Division and National conventions are past and we are entering fiscal year 2011. We have some challenges ahead of us. At the national convention, CinC Givens presented "Vision 2016"—a program for our future. Part of that program is to reach 50,000 members by 2016. Right now, we have almost 30,000. In Arizona, we have 167 members and, as we start the membership renewal process, we hope to retain every one of those gentlemen. We also need to recruit new members—not just "magazine subscribers, but men who will join us in actively carrying out the Charge. To that end, we are chartering a new Camp in Yuma, the Yuma Territorial Outpost Camp 2186. Unfortunately, an offset to that great effort is the loss of the Major Samuel H. Drachman Camp 2127. Camp 2127 was unable to maintain the required seven members and, reluctantly, Commander Montgomery was forced to request the GEC to suspend their charter. We hope that the remaining members will transfer to other Arizona Camps, so their experience and contributions will not be lost.

During his term, Past

Division Commander John Mangum challenged us to "bring one in". By that, he meant that if each of us recruited just one new member, our numbers would double! Sounds easy, doesn't it? Well, if it's so danged easy, why haven't we done it? Let each of us make a concerted effort to bring just one new member into our Camps this year. And while we're at it, let's make an equally determined effort to retain the quality members we already have! **BRING ONE IN! KEEP ONE IN!**

By now, all y'all should have received your MRS dues statements for fiscal year 2011. Please remit your dues and any donations you wish to give in the optional giving categories to your Camp's Adjutant as quickly as possible. Remember, dues must be paid no later

than 31 October.

History Versus Heritage!

Tim Manning
Norfolk County Grays Camp 1549

Many people and most Southern movements get confused about the use of the terms "history" and "heritage." Most love history, but have been systematically indoctrinated into a hatred of Christian Southern heritage.

Knowledge about your family, who they were, what they did, why they did it, where they lived, their religion, their culture and their politics is "family history." The fact that you feel they did the right thing at the right time is an "appreciation" of that history about which you may be very proud, but that is not heritage.

Believing that "the South was right" is an assessment of history which may or may not have to do with heritage. Heritage is what you do.

Heritage is defined as "Valued objects and qualities such as cultural traditions, unspoiled countryside, and historic buildings that have been passed down from previous generations." Heritage is about what we do, what we have and who we are today. It is what we accept, believe in and take from the past that we adopt as "our own."

That my ancestors were Confederates is history. That I am a Confederate is an act of heritage. History is about yesterday. Heritage,

based on the past, but is about today. While heritage considers history, it is not history and having a knowledge and appreciation about the past. Heritage is about "My" culture, "my" politics, and "my" spiritual life. Heritage is about "me" and "TODAY"!

Southerners are generally interested in history, but most are too reconstructed and reprogrammed to have a dedication to heritage. Many are too ignorant or too brainwashed to understand and appreciate this difference. This has been the greatest weakness and failure of most Southern movements including SCV.

Notably heritage may be about our supporting 1) Independence of our States, 2) freedom, 3) liberty, 4) secession, 5) fighting tyranny, 6) maintaining our family's spiritual beliefs, 7) their culture, 8) their property, 9) living in their State or Southern States or among a people that share those common values and morals, and 10) seeing their enemies as your enemies.

RECRUITING & RETENTION

Be sure and review the Division Commander's Dispatch in this issue. Commander-in-Chief Givens has issued a challenge to the Confederation and, Commander Montgomery, in turn, has issued one to the Arizona Terri-

tory.

Below are the membership and recruiting statistics for the Division as of 30 September 2011. The potential membership gain from the chartering of the Yuma Territorial Outpost Camp 2186 is not shown as the Camp's charter has not yet been processed.

Note that Camp 2127's charter has been suspended. Of the four remaining mem-

bers, transfers to other Arizona Camps are pending. One of the transfers already processed was to a Camp in Oklahoma.

Camp Commanders, let us work diligently to retain every member we have. These Compatriots are the backbone of the Division. Recruiting new members is important: retaining the quality members we have is equally so! Get your members involved in

your Camp's activities and in the Division's events. Let them know they ARE valuable!

Let us look at our recruiting efforts so far this year. The statistics are printed on the next page. Our prospects come from several sources. Gentlemen who download an application from the SCV website are referred directly to me. I contact those men and alert the Camp closest to their home. When your Camp gets such a notification, please fol-

low up and contact these gentlemen. Invite them to a meeting or a function. Greet them, make them feel welcome! Recruit them! Recruit their sons, grandsons and nephews as Cadets. As Past Commander Mangum challenged us several years ago, each one of us should recruit just one new member this year so the Division will double in size! Let's take it a step further—go out of your way to KEEP one member for each of us in the Division! Let us not lose the

strong membership base we have.

I will be attending the Vision 2016 meeting at Elm Springs 15-16 October and will bring back to the Division what was learned there. I am also attending the SCV Leadership workshop in Burlington, NC, on 1 October. There will be concepts learned there that I will share with y'all upon my return.

I encourage as many of y'all who can to attend the

Recruiting Award Proposed!

Arizona Division Commander Richard Montgomery has proposed that a traveling award be established for the Camp that recruits the most members during the year. The Division Executive Council is soliciting ideas and suggestions from the Camps and the membership for the type of award—plaque, trophy, etc.; the name for the award and other ideas and suggestions for incentives to aid in our recruiting and retention efforts. Please submit your ideas and suggestions to the DEC through the Division Adjutant. If you know of a vendor who can make the plaque or trophy at a reasonable price, please so advise the DEC.

Tucson, A.T., 20 August 2011

The Captain Hunter's Arizona Rangers Camp 1202 hosted the Arizona Division's participation in the 236th Anniversary celebration of the founding of the City of Tucson. This was also the 150th anniversary of the establishment of the military government of the Territory of Arizona CSA. That fact was acknowledged during the ceremony. Taking part were members of Camp 1202 and members of Camps 1710 and 2074. Mrs. Gretchen Brittain represented the John R. Baylor Chapter 2298 of the UDC and the Arizona Division UDC.

Kansas compatriots at a meeting of Camp 1857. The highlight of the meeting was an ancestor presentation by Camp Chaplain Tyrone Williams on his great-grandfather, William Thompson, a Black Confederate.

Adjutant Tipton won the Camp's trivia competition by answering the question, "Who were the three American presidents who graduated from West Point?" See if you can answer correctly? (Answer on last page).

Camp 1710 Holds Black Powder Shoot!

Sierra Vista, A.T. 27 August 2011

Camp 1710 held its annual Black Powder Weapons Demonstration and Shoot at the Sierra Vista Shooting Range. Due to lower than usual attendance, competition was held only in the pistol and breech loading categories. Curt Tipton, Camp 1710, won the pistol competition with a score of 38 out of 60 possible points. He and Glenn Meek of Camp 2074 tied in the breech loading category with scores of 59 out of 100 possible points. Attendees spent the rest of the event trying out various weapons, including Don Rodgers' Remington revolving carbine and his 12 gauge Howdah pistol—no tigers around to shoot from the back of an elephant!

Compatriots!

During the 2011 SCV Convention in Montgomery, Alabama, the Tennessee Division presented a check to CinC Givens for \$20,000.00 (right top) to be used in the building of a Confederate museum at our national headquarters in Columbia, Tennessee. The California Division (right below) presented a check for \$3,000.00 to add to the building fund. Arizona Division Commander Rich Montgomery put out a call to the Territory for donations for the museum. Two Compatriots have already submitted matching donations of \$50.00 each. We challenge y'all to come up with more so

that the Arizona Division can support this worthy effort. Send donations to the Division Adjutant. Mark your check's memo line "Museum Building Fund." Let's help get this museum built!
